Dear Mr Pinnock

Please note: Letter date 25/6/96, page 3 - FOI document reserred to us .163681, dute 12/4/95 should read .163658 duted 27/2/95.

Ifind it very sad to be in possession of so many FOI documents which support my allegations that many, many copies of internal correspondence I forwarded to Dr Hughes during the FTAP was never seen by the Resource Unit or Telstra.

It is equally sad that copies of Telatra letters, which were also part of the FTAP, were not forwarded to me. ||

This FTAP was a demonstration of what happens in Australia today when a small business like mine, with limited finances and other resources, attempts to secure justice from large corporations with unlimited financial backing and resources, like Ferrier Hodgson Corporate Advisory, Lanes Telecommunications, Hunt & Hunt, and Telsira.

No-one that I know; friends, the co-author of my forthcoming publication and others, can understand how I keep going in this battle, with the knowledge I have of the unethical behaviour I have been forced to contend with.

In the name of Australian justice there must be some way to 'overhaul' the FTAP saga.

Sincerely.

Alan Smith
