Dear Fiona

I am enclosing a complaint received from Mr A Smith, proprietor of the Cape Bridgewater Holiday Camp. Mr Smith believes there is some fault(s) with his service which has resulted in callers reporting to him they have had difficulty in contacting him on his service number. He has also cited an example where facsimile transmissions have been sent but not apparently received by the recipient even though his facsimile machine report shows a successful transmission.

I would be grateful if you would investigate his complaint under the agreed complaint handling procedures and provide me with a prompt response on your findings.

Yours sincerely
